Massage Treatments

AUBERGE AT ALTITUDE

A firm, nurturing massage - an Auberge Classic. The use of appointed modalities in tune with your needs, this massage is enhanced with specific techniques to assist you in acclimating to the high altitude.

TANDEM FOUR-HAND MASSAGE

The ultimate body massage. Two skilled therapist expertly guide their four hands in a seamless dance-like rhythmic flow. At times this tandem massage is in synchronicity as the therapists mirror each other. In other parts of the session the therapist will work independently but in a complementary fashion while always nurturing your individual needs.

TABLE THAI MASSAGE

Thai Bodywork that is preformed on a massage table and combines pressure point techniques with a variety of stretching movements. The guest is gently pulled, pushed and kneaded, but emerges relaxed, centered, grounded and re-energized.

HOT STONE SPORTS THERAPY

Experienced hands paired with hot basalt stones warm the body and relieve deep, sports-related muscle tension. The athletes' choice for recovery and high performance, E-52's Arnica infused massage focuses on muscle groups used in skiing, hiking and mountain biking; allowing you to feel refreshed for more adventures the following day.

Body Treatments

HAND AND FOOT REFLEXOLOGY

A healing art based on the concept of pressure points in the body. Through the skillful application of pressure on your hands and feet, reflexology relieves tension, improves circulation and promotes natural function through your body. Relieve your hands and feet after a day of skiing with invigorating scrub, cozy hot towel compress and re-energizing reflexology massage.

DEEP FOREST EXFOLIATION

A nourishing body exfoliation featuring an evergreen mineral scrub followed by a full-body massage with the deep forest body oil containing balsam fir and white pine. Your dehydrated skin will love you for this.

Facial Treatments

POWER REPAIR FACIAL

For skin that craves organic products without use of chemicals and dyes, the "Sisters Creations" product line features vitamins, minerals and enzymes that prevent free radicals from damaging your skin. Your aestheticians will customize this treatment for your skin.

GENTLEMAN'S FACIAL

Designed to suit men's skin, this facial is a perfect remedy to combat environmental stress while improving skin texture and clarity. Deep cleansing and exfoliation followed by a restful massage of the face, hot towel application and customized masques and moisturizing treatment. Please shave prior to facial.
